

Thank You Active Members!

The Leadership wish to thank our council members for their enthusiastic support of our charitable activities over the past year. Despite the icy conditions in Hall County the previous night, your attendance at our Three Course Candlelight dinner on January 23 contributed to a capacity crowd in the Atrium. With your support, this event won the top Georgia State award in the Family category, and will now be entered for International Family Program of the Year!

We are very grateful for your continued support of our charitable activities, and look forward to feeding the bodies and souls of Christ's Church with new and innovative programs in the coming year. Gloria in excelsis Deo.

Below: GK Juan Saldarriaga and DGK Emory Montgomery accept the first place Family Award from State Deputy Mark McMullen at the GA State Convention.
